Creating Partnerships

Express Rollers together with ProChoice bring a specialised collection of the highest quality safety gear to professional painters. Both well-known names in Australia and New Zealand, these companies have forged an exclusive partnership where customers can expect more than just a product. Industry experience, technical innovation, and unmatched customer service coupled with in-field support is Express Rollers' foundation. Delivering only the best quality and the most technically advanced safety products that have been designed to perform in the toughest Australian conditions.

Contact Express Rollers today with all your safety gear enquires. We stock a large range of products, some of which have not been featured within this catalogue.
